

Here are some more activities that you may enjoy doing with your children. If you are proud of anything you have done please remember to write to us/email us at nursery. Thank you to Jacob Lee who sent us some great photos of the beautiful egg he decorated. And Molly has been enjoying time in her garden. Did anyone make a den this week? Can you turn it into a reading den and read by torchlight inside? Send us photos of you inside your den. We will make one at nursery to show you.....

Even if your child isn't physically attending nursery, they are still on our roll and we still have a responsibility towards you and your family and we still care about you. Please keep in touch with us and each other. See you soon....

Some activities you can try

Personal, Social and Emotional (PSE)

- Continue to Speak to a family member on the telephone or facetime - tell them what you have been learning about at home.
- Talk with your child over dinner, remember to give praise for something you have enjoyed doing together each day.

Physical

- Twinkl homelearning hub is free to access online-They have a daily timetable starting at 9am with a half hour workout- Join Joe Wicks, The Body Coach, for 30 minutes of child friendly, daily exercise in the comfort of your own home.
- Practise your cutting skills with child friendly scissors. Can you cut out an egg shape to decorate? Cut up pieces of coloured paper to decorate a hot air balloon shape.

Communication and Language (C+L)

- Enjoy an environmental sounds walk or sit outside for lunch in the garden. What can you hear... Church bells, birds singing, wind chimes, leaves rustling, dogs barking, music?
- Children love looking at photographs of themselves. Look at photos of special family times, ask your child to retell their memories from that event. You can share your memories too, they will love to listen to stories about themselves.

Literacy

- Draw/paint/create a rainbow to display in your window, it will brighten someone's day as they pass by your house. We would love to see your pictures please send them to wheatlynurseryschool@johnwatsonschool.org so that we can share our message of hope through our website and on Facebook too.

Maths

- Try making some cupcakes, carefully measure your ingredients and have fun!

- <https://www.bbcgoodfood.com/recipes/cupcakes>

Understanding of the World -

- Watch Tadpole Cam on the Wheatley Nursery School website, under news and events. The tadpoles have all hatched out and are swimming around busily in the tank. Find out what they like to eat on google.
- Remember the big egg that Judy showed you at nursery. Talk to your family about what might have laid it and email your ideas to us.

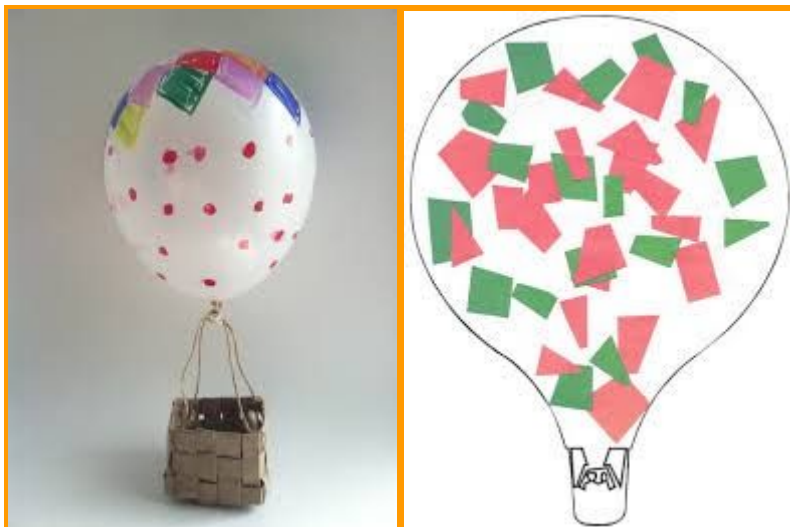

Expressive Arts and Design

- Look at this beautiful egg that Jacob Lee decorated. Can you make one too? Collect some interesting things from your garden and stick them onto an egg shape.

- https://www.youtube.com/watch?v=Lrd0TiER_J0 Another fun song to sing together. All you children know this song well because it's one of our favourites. Can you teach it to your family?
- Play along with your homemade instruments. How about making a drum set with pots and pans? You could use wooden spoons for drumsticks.

- Can you make your own hot air balloons?
