

Wheatley Nursery School Vision Statement

We are a welcoming and inclusive school.

Governors, staff and families are committed to working together to provide a high quality approach to education and care for young children. We believe every child matters and strive to provide rich experiences that support each child's unique development based on early childhood principles.

'Igniting the spark to become inquisitive learners for life'

'To know more, to remember more, to achieve more'

Our strong, nurturing key person approach ensures that children are supported to fulfil their potential.

Our Ethos

We strive to be a centre of excellence with experienced and knowledgeable staff who are lifelong learners.

We want children to be curious and inquisitive about the natural world

We offer varied, enticing environments that encourage independent, exploratory learning through play.

We support each child's uniqueness

We value the thoughts and feelings of others

We have high aspirations for learning and development for children and families.

Staff work alongside children and families in order to develop and extend their learning.

We plan experiences which stimulate children to wonder about the world and to think creatively, led by strengths and their own interests.
